Nested loops: repetition inside repetition

NAME _____ DATE _____

Sketch a prediction of what this makes.

Label what each commented line does

```
for copy in range(6):          # _____
    for side in range(3):      # _____
        turtle.forward(60)
        turtle.left(120)
    turtle.left(60)            # _____
```

Vocab: define each in your own words

Nested loop

Outer loop

Inner loop
